Pizza Pub

The Tree Guys Story...

In 1992 three friends, a cigar smoker, pizza maker and beer drinker, decided to open a pizza joint. They always dreamt of owning their own place so they could eat as much as they wanted and never get kicked out. Although the dream came true, the cigar smoker and beer drinker have since retired to the bar, but the pizza maker is still here and what a pizza he makes!

Whether you are a regular or trying us for the first time, you are always welcome and appreciated. It is our goal to put a smile on everyone's face, pizza in their mouths and a beer in their hands. Unfortunately once in a great while, a guy will make a mistake, so if for any reason you are not satisfied with something, please let us know and we will take care of it. Enjoy!
